### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Hunter on 6/10. The examiner indicated that Mr Hunter's arguments regarding the subject matter of claim 1 were persuasive to overcome the rejections of record and that all claims commensurate in scope would be rejoined. The application has been amended as follows:

In the claims, all occurrences of "TJ1000", "or 1BE", "GL-3" and "G1-3" have been deleted. This amendment to reduce possible confusion because the deposit number alone is sufficient to identify the claimed strains.

Claims 5-6, 9, 20-11, 25-28, 35-39 & 45-46 have been canceled.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leon Lankford whose telephone number is 571-272-0917. The examiner can normally be reached on Mon-Thu 7:30-6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mike Wityshyn can be reached on 571-272-0926. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
